# *Dedication*

It has been the privilege of this Senior Class to have been associated with the person to whom we dedicate this annual. He is a loyal friend to all, and has expressed deep concern and genuine interest in each of his students. In recognition of this concern, friendship, and brilliant scholarship, we dedicate the 1966 KAT to Mr. Vonno Rayford Lipscomb.

# ADMINISTRATION

## *The Superintendent's Message*

While thinking about a message to leave to each and everyone represented in this Yearbook, the words of an old song came to my mind which will convey my thoughts of you and the future.

"So, here's to you, may your dreams come true. May Old Father Time never be unkind, and through the years save your smiles and tears, they are souvenirs - they will make music in your heart."

It is hoped that the memories recalled by this book in the future years will truly "make music in your hearts."
